PRODUCT INFORMATION

Heavy-gauge net for heavy loads and use away from the shelf.

Tougher, for bulk or stacked product: firewood, charcoal, industrial parts, transport protection. It takes a long trip and rough handling.

RUNS ON

Supplied on the roll to the dimensions listed, rather than as finished bags.

WORKS GREAT FOR

- **Firewood and charcoal**
  Bulk product that has to dry rather than sweat in the pack, carried by distributors and collection yards.
- **Sod and turf**
